The image shows a Windows desktop with a green landscape wallpaper. In the foreground, there is a 'WebStorm License Activation' dialog box. It has three radio buttons: 'Activate' (selected), 'Evaluate for free', and 'Buy WebStorm'. Below these, it says 'Activate license with:' followed by three radio buttons: 'JetBrains Account', 'Activation code' (selected), and 'License server'. A text box contains a long alphanumeric string. At the bottom are 'OK' and 'Exit' buttons. In the background, a 'Notepad' window titled 'A2ZIO9ZVE6.txt - 記事本' is open, displaying the same long alphanumeric string. The string is a mix of uppercase and lowercase letters and numbers, with some lines starting with '+'. The window title bar shows standard Windows icons (minimize, maximize, close).

這邊應該會出現你的名字，  
恭喜啟用成功。
